Absolutely Kensington

All the information a sneakerhead could want about many of most appealing athletic shoes that have recently been launched. --Womens Wear Daily

Will have sneaker geeks short of breath and sweaty of palm. --The Daily Telegraph
Présentation de l'éditeur
This much-anticipated sequel to the classic volume Sneakers: The Complete Collectors Guide is a global survey of, and reference guide to, the very best and most collectible limited-edition sneaker designs that have been released over the last decade. The first volume was a phenomenal success and a key influence in the transformation of sneaker collecting from an underground subculture into a mainstream, multi-billion dollar business. Following publication of that book, sneaker brands began reissuing classic designs and creating shoes that would spur the second wave of sneaker collecting: limited editions and collaborations between the brands and invited artists, designers, musicians and cultural icons. This sequel showcases the very best of this new sneaker culture, featuring more than 300 designs arranged by brand. Each sneaker is accompanied by informative text and a data box listing Edition, Pack, Year Released, Original Purpose, Technology and Extras. An essential purchase for both the hardcore sneaker freak and the first time collector, this book will also attract and seduce fashion and design aficionados. Biographie de l'auteur

U-Dox, agence de design et de branding, a créé crookedtongues.com, le site Internet mondial des collectionneurs de sneakers. Entre Londres et Bangkok, elle compte parmi ses clients adidas, Reebok ou encore Nissan.
