Über das Produkt

Aimed at today's busy executives and those studying for or wishing to further their careers in business, Dynamic Presentations looks at what constitutes a successful, motivating presentation and gives learners an insight into the essential skills and techniques they will need to ensure their presentations are both motivating and memorable. It is for intermediate to advanced learners of business English who want to excel at presenting. A Dynamic Presentations DVD and free DVD Worksheets are also available, with expert advice and authentic content, aimed at improving competency in key management areas.
